EVENTS

I am heading down to Pensacola, FL to the Rod Run Reunion the weekend of Thanksgiving. I have started my list of car events I want to attend in 2007. As you can see from the list at the end of this issue, more events have been added. I got my confirmation in the mail for the Bunny Run up in Jackson, TN in April. Looking forward to that one. An event in May came in the e-mail the other day that's in Douglasville, GA which is close to Atlanta. Sounds like good one with usually around 500 cars at it the previous year. NSRA Mid-America Nationals in Springfield, MO was fun in 2006 and I plan on going in '07. Good Guys will be back in Nashville the last weekend of June. Yeah, I save my favorite one for last: Street Rod Nationals in Louisville, KY August 2-5, 2007. You need to attend this one at least once! It's the BIG ONE!

2006 VETERAN'S CRUISE

Steve reports: Just wanted to say "Thank you" to all the participants who came out and supported our V A Cruise. We had 37 cars; the Corvette club won the "Club Participation" award with 15 cars!! Thanks Miss Sherry & co.! It was a beautiful day for the event and I'm sure fulfilling for all who attended. Believe me, the V A patients really appreciated and enjoyed our visit. We collected \$366.00, for which we will issue a MSRA check to the VA. Thank you also for your contributions there.

2007 STATEWIDE PLANNING MEETING

The location for the Statewide Planning meeting on January 6, 2007 has changed to the Barnhill's on County Line Road. NSRA members need to get their votes in to Chicken Willie for the Street Rodder of the Year award before the end of December so that he can get everything ready to announce the winner at this meeting. Take I 55 exit 103, on County Line Road East. Once on county line road, first traffic light is at Hilton hotel, second traffic light is at Barnhill's on the right. It's less than a mile off the interstate.
