### **DIXIE NATIONAL RODEO PARADE**

I found out from Pres Gene that about 8 or 9 cars showed up for the parade. I stayed at home because it was raining and cold and I didn't figure people would be out there watching it, but I was wrong.

**NOTE:** Next club meeting March 9, 2006 at Golden Coral.

### **DIXIE RUN NEWS**

Steve asked me to remind potential attendees of the \$150.00 pre-registration prize drawing for the Rod Run. Also, if someone would like to be a vendor, please contact us!

### **CLUB NEWS**

Last Saturday a week ago, I went over to Joe Byrd's and met Eric there at 8am and then all of us headed down to Pensacola, FL to pick up some parts for me and a 1931 Ford 4-door Sedan for Eric. The car was near Foley, AL and so we went to Lambert's Café to eat. That's the place where they throw the rolls. It was some good food. It was a long day in a driving rainstorm most of the way down there. I got back to my house at 11:30pm that night.

### **SHOP TOUR '06**

Wow what a turnout of folks that met for lunch at Wendy's in Byram at 11am on Feb. 18<sup>th</sup>. We started the tour at Larry Cantrell's shop, then we went to the shop in Pearl and saw several projects. From there, we went to Rounman's and saw Danny's Coupe project. Then we went next door and saw another coupe project. The next place we went to was around the corner from there and saw about 4 projects. From there we cut through the Rankin County countryside and went to Jim Saville's, where he has one of everything Chevrolet made in 1938 (except a 4-door) and he is working on the conv. Then we went on through the countryside and back again because we got lost in Rankin Country. We found our way to see Vic's "Shades of Dream" '48 Chevy Pickup project and it was well worth the trip. The whole day was fun. See the pictures on [www.ms-sra.org](http://www.ms-sra.org)

### **OLE BROOK CRUISERS**

There were about 100 cars at this event and the weather was beautiful! Jim Saville won a sponsor award; Bennie Boggs won a sponsor award; Carey Creel won a sponsor award; Wayne Thomas cleaned up with a Top 25 award and the Grand Prize \$\$! See the pictures on [www.ms-sra.org](http://www.ms-sra.org) of this event and of the Car Buddys cruise-in that night.

### **HURRICANE KATRINA GULF COAST STREET RODDERS RELIEF FUND**

January 17, 2006

In our September 15th press release and subsequent mailing we spoke of our on-going effort to establish the Hurricane Katrina Gulf Coast Street Rodders Relief Fund (H.K.G.C.S.R.F.). As stated "The fund can only distribute what it receives" To date the response to the mailing has been sporadic and disappointing.

The requests for assistance have surpassed the donations received. Most of the funds received have come from caring rodders from as far away as California, Pennsylvania... Their heartwarming generosity though commendable will not allow us to complete the task of aiding our community. We need your help.

Your dollars will allow the relief fund committee to do just that. We realize everyone has financial obligations but any funds you can spare allows will help those less fortunate. Whether your donation is a dollar, five dollars, or a thousand dollars we ask that you consider giving to the relief fund.

If you are interested in donating you can still do so by sending your check, money order, etc. to "H.K.G.C.S.R. Relief Fund" C/O Mr. Larry Teal, 9602 Florida Blvd; Walker, LA 70 785.

Remember your generosity will allow us to help those in need during these most trying of times.

Thank you from the steering committee:

Kenny Allen; Bobby Jiminez; Kenny Angelo, LA NSRA State Safety Inspector; Jim Kraus; B. Karl Brindell, Goodguys SW Area Rep.; Richard 'Lee' Laurent; Glenn Gobert; Larry Teal, LA NSRA State Rep.; Tom Walter
