MEMORY LANE BAND

This band, which is made up of several club members (Paul, Steve, Larry, Gene, Vic, Chuck, & Bobby), plays 50's & 60's rock & roll. The guys are coming off of a great year in 2005 and are performing at several locations in 2006. Last night, they put on a great concert at the Richland Community Center. I am making a video for them. They are a garage band and the last time I filmed them in concert was in Paul Westwood's garage while Hurricane Rita passed by. They put on a show for us that night. They will be performing at the Dixie Run in Flowood on June 17, 2006. Tonight, they will be up at the Jerry Clower Festival in Yazoo City. Look for them in Meridian in September during the Rock & Roll Revival.

NEW CONCEPT IN STREET ROD BUILDING

I was just looking through the latest (June, 2006) issue of Street Rod Builder and found an interesting article on new fiberglass cars. Kyle Bond who formerly owned Gibbon Fiberglass has sold the business and moved to Nebraska. His new company, Race Bodies by Bond, is producing fiberglass '33 Ford 3-window & 5-window fenderless Coupes and Tudor Sedans. The thing that is different about these is that they have a tubular frame/rollcage with a steel floor. The whole thing looks very sturdy.

MCCOMB ROD RUN

Several MSRA members were at this car show. I went to a family reunion on that Saturday in Baton Rouge, LA but had to go right by the car show, so I stopped by on the way back home. Looks like everyone had a good time down there.

CLUB MEETING

Thursday, May 11, 2006 is the next meeting at Golden Corral on Lakeland Drive. The rod run is getting closer and will be here before you know it. I am going to be tied up with several things going on with my nephew graduating from high school that weekend, so I will miss the meeting.

MAY 13, 2006

Come out and support a good cause and enjoy an open car show in Clinton at O'Reilly Auto Parts being put on by Big River Classic Chevy. Proceeds to benefit Blair E. Batson Children's Hospital. I was planning on going to this one, but with my nephew's graduation the same day, I will have to miss it. Y'all go in my place.

MAY 24, 2006

This is the day that we will gather in Canton, on the square, and celebrate having the Nissan Plant. This is on a Wednesday and you need to have your street rod on the square by 5pm.
